THAT NEW DRESS.

There was a gruff old fellow once who said that he never had to consult either the almanac or the weather to know that spring was approaching. The clamor of the ladies of his family for new raiment was sign enough. In deference to their demand, we have brought in the first install-

ment of the seasons' new fabrics, and invite the ladies to see them. We say nothing about the men-they can have the floor for a few remarks when the bill is presented. Just now, silence with them. like the opportunity we present, is golden.

Tuesday forenoon, the fire alarm sounded and people followed the fire engine to the home of J. Ed. Phillips, known as the Wheaton house, which was in flames, doubtless having caught from the chimney. Mr. and Mrs. Phillips were both down town, no one but a girl who was working for them being in the house. Willing hands soon carried out most of the furniture, but all efforts to save the house were unavailing and it was totally destroyed. The house was the property of Mrs. G. E. Breck and was insured in E. F. Parks' agency for \$1,100. Phillips' loss is \$400 in damage to turniture and in clothing and bedding in the closets and not carried out, and is fully insured in the agency of Titus & McNeil.

A Few Reasons

Why you should vote for J. C. War-

ner for supervisor: 1-He is generally admitted to be one of the fairest assessors Paw Paw township ever had.

Rev. Fr. Mulcahy is home from Bor-gess hospital at Kalamazoo, where he duties of his office. 3-He is a representative business man who thoroughly enjoys the confi-

2-His two years' experience makes

dence of the people 4-He commenced on the board last fall a vigorous fight for the rights of this township in the matter of equalization. He has succeeded in getting other supervisors to thinking in the matter, and many of them now privately admit the injustice of the equalization. Mr. Warner will be in a position to push this matter to a successful termination on the next board in a way a new man cannot possibly do, even though he be a capable, conscientious worker for the good of our people.
5—Faithful service should not be re-

warded by turning him down. 6-He is a republican. These are only a few of many reasons that will suggest themselves to every voter.
